WORLD CLASS ENTERTAINMENT & PRODUCTION FOR BESPOKE EVENTS

"After seeing Get Funked at Under The Bridge, I didn't hesitate in booking them for Tesco's Store Managers' Corporate Event at the NEC. They brought the whole event to life and people talked about them for weeks afterwards! They are incredibly professional and are loads of fun. I would without doubt book them for my next event!"

**DENISE WELLS, TESCO - NEC BIRMINGHAM, 2015**

"We are so pleased to be able to recommend Get Funked to our clients. We last had them for a big event at The Four Seasons in Dubai in 2015: "Polina in Wonderland". Visually their show was incredible and their sound was of the highest quality. They interacted with Polina and her guests and they left a lasting impression on everybody. Get Funked and special guest CeeLo Green entertained guests right into the early hours of the morning. It was fantastic!"

**MARINA KISS, CREATIVE PRODUCER AT RENOVATIO ENT - THE FOUR SEASONS DUBAI, 2016**

## GET FUNKED *COMPACT*

---

Get Funked *Compact* has been designed to specifically cater for small events, where the technical production requirements for a full Get Funked performance are not logistically or financially viable.

These lineups offer a simple all-in-one entertainment and production solution, for intimate private functions and more modest corporate events.

"What a difference a live band makes and Get Funked is one of our favourites. For the last 7 years they've been creating a great vibe at Supernova and our clients continue to enjoy their original delivery and lively performances."

**DI BAILEY, DIRECTOR OF PLANIT EVENTS – SUPERNOVA LONDON, 2016**

## DJ LIVE

---

DJ Live is launching in early 2017 to satisfy a demand for high quality musical entertainment at events where it is not possible to accommodate a fully live band. DJ Live has a small onstage footprint, relatively modest production requirements and can be set up and moved into place very quickly. As such it is particularly suited to award ceremonies, where stage space and set up time are often extremely limited.

DJ Live perform with backing tracks that have been created by Get Funked's full 17-piece live band, on licence. This is totally unique to Get Funked and for the first time offers people the chance to experience the sound and energy of a large live band at their event, regardless of the logistical limitations.

Individual musicians can be added to DJ Live in any configuration to give the show more of a live feel. Options include electric guitar, keyboards, percussion and 2-piece horn section.

---

### ★ 4-PIECE – SUITABLE FOR SMALL CORPORATE OR PRIVATE EVENTS WITH 150+ GUESTS

---

**Vocalists:** 1x Male Vocals | 2x Female Vocals  
**DJ:** Get Funked's resident DJ will perform from a centre stage position  
**Crew:** Sound Engineer (FOH/MONs) | Band Manager  
**Musicians:** Optional (different configurations available)

**Standard performance duration:** 2x 60 minutes or 1x 105 minutes, plus a 2 hour DJ set

**Recommended stage size:** 5m x 3m (or 16ft x 10ft)

**Technical production:** Sound, lighting and staging are not included

**Sound check duration:** 20 minutes

---

### ★ 6-PIECE – SUITABLE FOR MEDIUM CORPORATE OR PRIVATE EVENTS WITH 250+ GUESTS

---

**Vocalists:** 2x Male Vocals | 3x Female Vocals  
**DJ:** Get Funked's resident DJ will perform from a centre stage position  
**Crew:** Sound Engineer (FOH/MONs) | Band Manager

**Technical production:** Sound, lighting and staging are not included

**Sound check duration:** 30 minutes

"I have been working with Martyn and Get Funked for the past couple of years and as bands go there is absolutely nothing better on the circuit. The musicians are unbelievable at what they do and I get nothing but amazing feedback about the band. Not only that, they are also great people to work with."

**LOUISE PERRY, CREATIVE DIRECTOR AT LOUISE PERRY WEDDINGS, 2016**

# DJ LIVE *LITE*

---

DJ Live *Lite* has been designed to specifically cater for very small events, where the production requirements for either a DJ Live or Get Funked performance are not logistically or financially viable. These simple 2 and 4-piece lineups offer an all-in-one entertainment and production solution for intimate private and more modest corporate events.

DJ Live *Lite* perform with backing tracks that have been created by Get Funked’s full 17-piece live band, on licence. This is totally unique to Get Funked and for the first time offers people the chance to experience the sound and energy of a large live band at their event, regardless of the logistical limitations.

"Get Funked put on a fantastic performance for my husband's 50th birthday party. The dance floor was full all night and the show has left a huge impression on all our guests."

**DENISE COATES CBE - CHIEF EXECUTIVE OF BET365, 2016**

## PERFORMANCE OPTIONS

---

One thing that makes both Get Funked and DJ Live totally unique is the number of performance options they offer. Not only can the band rock the dance floor late into the night, they can also perform stunning dinner shows and stage productions that would hold their own on an arena stage.

### DINNER PERFORMANCES

---

During dinner Get Funked's musicians and vocalists will perform from the dance floor where they will take your guests on a journey through some of the most magical music ever written, from classic ballads to contemporary pop. With lush vocal harmonies and creative musical arrangements, this part of the evening will be unforgettable for all your guests.

### STRING SECTION & GRAND PIANO

---

This is the ultimate way to add class and sophistication to your event. With the addition of a 4, 8 or 12-piece string section derived from members of London's top orchestras, coupled with an elegant grand piano positioned in the centre of the dance floor, the stage will be set for something really special. Your guests will be mesmerised by classic songs like *At Last* by Etta James, with rich layers of sultry strings engaging everyone in the room.

### DANCERS

---

Dancers add a huge amount to the Get Funked or DJ Live experience. With slick choreography and multiple costume changes, they transform the show from a live gig to a full concert level production. Get Funked employ the best choreographers and dancers in the business, with CVs that are bursting with recording artist credits on major arena tours and TV shows.

### LIVE VISUALS

---

Get Funked and DJ Live offer digital visual content which can be displayed on screens around the stage. This content is live and interactive and adds even more impact to the performance.

"We've been working with Get Funked for 7 years. They are phenomenal, incredibly professional, at top of their game and have worked on many high profile international events for us. I can't recommend them enough and thank you Martyn for years of loyal service. We look forward to many more years of events with you!"

## CELEBRITY BOOKINGS

---

Booking celebrities to perform at private and corporate events can be a minefield and it is something that many of our clients find very difficult. The members of Get Funked have performed with a vast array of major international recording artists and we are in a unique and privileged position in that we have direct relationships with individual artists, their management and talent agents.

What our clients find most frustrating about the booking process can often be solved with greater communication and transparency and Get Funked's management will happily take you through this process, contributing the best of our experience.

Whether it be performing at a wedding with Ella Henderson or a showpiece finale for a FTSE 100 client event."

**MARK TILLEY - DIRECTOR OF PALETTE EVENTS, ALEXANDRA PALACE - LONDON, 2015**

# TECHNICAL PRODUCTION

---

Technical production is an incredibly important part of any live musical experience and it can be easily overlooked.

To keep things simple and affordable, Get Funked *Compact* and DJ Live *Lite* travel with a self-contained sound system for 50 to 150 guests and some basic stage lighting. For small and intimate events this is usually ample.

For bigger events with Get Funked or DJ Live, production needs to be carefully considered. Several production packages are detailed on our price list, however Get Funked also offer bespoke production services via our technical production partners, as listed here:

---

## CONCERT & CONFERENCE SOUND SYSTEMS

---

## STAGE & DANCE FLOOR LIGHTING

---

## INDOOR & OUTDOOR VENUE LIGHTING

## HEALTH & SAFETY CONSULTANCY

---

## 3D AND CAD DESIGN

---

"Apart from being fabulous, engaging musicians that were enjoyed by absolutely everyone, we also very much appreciated the outstanding professionalism of Get Funked. It was refreshingly simple to work with Martyn and the band."

**ANGELA KIPLING, MANAGING DIRECTOR OF KIPLING EVENTS, THE ZAPPEION – ATHENS, 2016**

# BESPOKE PRODUCTIONS

---

Get Funked offer a huge number of lineups and performance options. However, some clients prefer to fully tailor the band's performance to suit their event theme or creative concepts.

Bespoke options include:

## REPERTOIRE

---

We will sit down with you to programme a totally bespoke performance with all the songs you know and love.

## PERSONNEL

---

The band's lineup can be altered to meet your exact requirements and the space available in your venue. Individual vocalists and musicians can also be specified based on your personal preferences.

## PERFORMANCES

---

Any number of performances are available and the band can perform for longer than is offered as standard.

## COSTUME

---

The band's and dancers' costume can be chosen entirely by you to suit your event theme.

## CHOREOGRAPHY

---

Our dancers will create, rehearse and perform bespoke choreography for anything you wish.

## CELEBRITY GUESTS

---

Celebrity guests can be programmed into the show, to perform alongside Get Funked as a surprise element for your guests.

## VISUALS & MAPPING

---

Digital content can be created to transform the look of the stage to match your event concept. This can include content that is personal to you and it can also include corporate branding.

## TECHNICAL PRODUCTION

---

The stage set, sound and lighting design can be tailored to your exact requirements and built to suit your choice of venue.

"It was an absolute pleasure to work with Get Funked, who were truly professional and well organised. The guests loved the performances – it was very energetic and vibrant and we would be glad to have them back again."
